### Program

Most participants will arrive on Tuesday 31st January and a Welcome Reception is planned for that evening. Talks will be scheduled on Wednesday 1st February to Friday 3rd February and the conference dinner will be on Thursday evening. A bus will be arranged to take participants to Sydney airport immediately after the last talk on Friday, arriving at Sydney airport at approximately 5:30pm. If you are taking this bus, please allow some time for unexpected delays.

A draft program is below. Clicking on a speaker's name will pop up a mini timetable for that session with talk titles. Clicking on the talk title will expand the abstract.
